New years eve is an great opportunity to start a new chapter in our lives. If you don't have motivation to change or improve, don't worry. You don't have to. Even if you feel presure to do something, remember – nobody can do it for you. However if you don't have even a pinch of happiness in your life and you feel self consious, that isnt right. Don't waste your time on earth. Remember to feel good.

INTERNATIONAL CAT DAY

International Cat Day is a celebration which takes place on 8 August, since 2002. It was created by the International Fund for Animal Welfare.

International Cat Day is a day to raise awareness for cats and learn about ways to help and protect them.

While most countries now observe this unofficial holiday on August 8th, Russia celebrates National Cat Day on 1 March and the U.S. celebrate both International Cat Day and their own National Cat Day on October 29th. Cat Day is another unofficial Cat Holiday observed on February 22, that originated in Japan and has become a social media sensation and is growing worldwide as people across the globe share their cat pictures and videos. Remember to spoil your pussy on that day with some new toys and delicious treats.
